## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT AND REASON FOR ALLOWANCE**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Samuel Dworetsky on 12/22/04 without prejudice or disclaimer. The application has been amended as follows:

### **EXAMINER'S AMENDMENT**

2. Delete claims 21 through 47.

#### ***Allowable Subject Matter***

3. Claims 1-2, 5, 7, 9-10, 13-14, 17 and 19 (renumbered as claims 1-10) are allowed.

4. The following is an examiner's statement of reasons for allowance.

Prior art of record fails to teach or fairly suggest a method for providing a network-based notification service to a calling party during processing of a telephone call of the calling party to a called party, comprising the steps of:

Art Unit: 2643

storing in a database in the telecommunications network calling plan information for subscribers including calling plan information associated with the originating address of the calling party;

receiving a request for a communications connection from an originating address of the calling party to a terminating address of the called party;

verifying tht the originating address of the calling party is to receive the notification service for the received reuest;

retrieving the stored calling plan information associated with the originating address of the calling party;

determining a minimum cost period which is at least one of a time of day, a day of a week, and a lurality of days for completing the communications connection based on the calling plan information for the originating address;

while the communicatins connecton is being established withn the telecommunications network and before completing the connection of the calling party to the called party, transmitting from the telecommunications network to the calling party an audible notificatoon message including the minimum cost period to the calling party from the tlecommunications network;

prompting the calling party to abandon the telephone call after transmitting the minimum cost period;

completing the connection of the calling party to the called party if the telephone call is not abandoned by the calling party; and

Art Unit: 2643

deactivating the transmission of the notification message after receiving a deactivation request as recited in independent claims 1 and 13 (renumbered as claims 1 and 7) and show in figure 3

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
